ADDITIONAL PROJECT DETAILS:

PLEASE READ THE FOLLOWING POLICIES AND SIGN IN THE DESIGNATED AREA BELOW:

NARDIAM KUSTOMS, LLC will lay out areas professionally so that your item has the best overall appearance. The hydrographics process requires items to be submerged in water as part of the process. NARDIAM KUSTOMS, LLC does not claim any responsibility for damage caused to items being submerged. The Cerakote process requires all metal items to be heated to a temperature of 300 degrees Fahrenheit and plastics to be heated to a temperature of 180 degrees Fahrenheit as part of the process. NARDIAM KUSTOMS, LLC does not claim any responsibility for damage caused to items being heated. Great care is taken on all items to ensure damage is prevented. There is no warranty on scopes. Should any questions arise, NARDIAM KUSTOMS, LLC will contact you via email or phone immediately. Items should be clean prior to shipment/drop off. All stickers and riveted tags should be removed prior to shipment/drop off. If labels and tags remain and the owner would like to have them on, additional charges will apply for masking. Otherwise, labels and tags will be coated or removed. Only send what you are having coated or engraved. The customer will be notified immediately upon completion of project. In the event the customer fails to pick up/respond to notifications to arrange shipment, the customer will have 30 days from the date of completion to pick up project or make further arrangements before the project will be surrendered to NARDIAM KUSTOMS, LLC and subsequently the project will be sold to recover expenses assumed in completing the customer's project. If the customer makes arrangements for pickup/shipment within the 30 day period and the project must be stored longer than this 30 day period, a 25% storage fee will be charged for each month the project must be stored. Payment for projects are due upon pick up/shipment.
